## History Programme

### Home Front

Experience life in a small wartime village and meet the people at work on the home front. Uncover an enemy spy!

- Can you survive an air raid?
- Learn the importance of the women's role during the war
- Discover rationing
- Become an evacuee

### Victorian Life

Learn about Victorian life through various activities

- High days and holidays
- Victorian school lessons
- Playtime
- Working life

### Gunpowder, Treason & Plot

Discover the history of Guy Fawkes and the gunpowder plot

- Secret messages
- Stuart food
- Dance and games
- Lights and lamps
- Guy Fawkes and friends

### Victorian Christmas

Meet Victorian characters as they celebrate their Christmas

- Screen print a Christmas card
- Christmas tree decorations
- Traditions and food
- Parlour games

## Explorer Programme

### Woodland and Wildlife (KS1 & 2)

Experience, record and measure the woodland habitat and its inhabitants

### Freshwater (KS 1 & 2)

Record and study invertebrates. Investigate how they adapt to their environment. Please note that this activity involves a 20 minute walk.

### Art (KS 1 & 2)

Choose from observational drawings, screen or relief printing, clay models or owl masks.

### Film and exhibition (KS 1 & 2)

Discover the science behind gunpowder and the history of the site.

### Team building (KS2)

Outdoor physical and mental team activities that are challenging and fun

### Orienteering (KS2)

Learn how to navigate using a map

### Rockets (KS1 & 2)

Make and fire an air powered rocket
